BRILLIANT COACHING CLASSES

Brilliant Coaching Classes was established in 1987. Over the last 21 years of its existence, the institute has grown phenomenally and trained thousands of students to stretch their frontiers of knowledge and lead successful lives in different sectors of society. The institute provides quality coaching to students of SSLC, PU I, PU II, CET, COMED-K, AIEEE and degree classes. A team of highly experienced faculty, excellent facilities and a highly disciplined result-oriented academic regimen have made Brilliant Coaching Classes one of the most sought after institutions in Mangalore.

The institute is housed in a spacious premises situated at PVS Centenary Building, near PVS Junction, which is one of the prime areas of the city. The umpteen number of students who have passed through the 'BRILLIANT WAY' stand testimony for the dedicated guidance that they received at **BRILLIANT COACHING CLASSES**.

SALIENT FEATURES

1. Faculty: The institute has a team of highly experienced and dedicated teaching faculty. Our professors take a keen interest in the growth of the students and are readily available to tackle the academic difficulties of the students. Some of our professors are also the authors of popular text books.

2. Classrooms: The institution has several spacious classrooms with hi-tech facilities. Each classroom can accommodate around fifty students.

3. Library: Our well stocked Library with all relevant text books, reference books, as well as model question papers is accessible to the staff and students throughout the day. A reading room is specially provided to the students to enrich their knowledge and to utilize their free time fruitfully.

4. Environment: A congenial environment is provided in the institution to cater the needs of the students. In addition to the regular coaching classes, special supplementary classes are arranged in memory techniques and concentration techniques.

5. Staff-Student Rapport: A co-ordinated approach of constant staff-student-parent contact is adopted to facilitate effective rapport. The institution also assists the parents to tackle the problems of the growing youngsters by counselling the parents as well as students. Meritorious students are encouraged to perform better by giving cash awards.

6. Individual coaching : Individual coaching is provided on demand.

7. Class Timings : The entire programme is tailor made to suit the requirements of the Students who can choose from Morning, Evening or Late Evening batches, according to their convenience.
